Dear Friend,

If you are an independent business-owner and you want to *dramatically* increase the amount of money you're making, then this is the most *exciting* and *important* website you'll ever stumble across!

Inside, you'll uncover...

- **How to use razor-sharp compelling sales copy to push each-and-every one of your prospect's emotional “hot buttons”!** You'll uncover exactly how to get your prospects so fired-up, they won't just be “interested” in doing business with you, they'll be eager... enthusiastic... and *excited* about you, *and* totally warmed-up and waiting to buy!
- **How to attract quality prospects (and... how to get them to do business with you over-and-over again) using “push-button” marketing systems that perform as flawlessly as a Swiss watch!**
- **The most *critical* (yet little-known) selling “rule”, nearly *all* sales messages violate -- whether online or offline!** Once you understand this basic concept (if you're a parent, it'll “click” immediately), your entire *outlook* on how to market your business, will shift *dramatically*! (And... so will the results of your marketing!)
- **How to avoid committing the “Cardinal Sin” of marketing!** This common

problem has the exact same effect on your sales copy, as it does on a first date, and... it guarantees you'll *never* get a second date... *or* make your sale! Once you learn what it is... and how to eliminate it *completely*... you'll start having a *lot* more fun with your marketing, and a lot more successful results!

- **Fresh and hard-hitting direct-response marketing secrets that show you *where* to find your best sources of prospects, *and*... how to qualify them *before* you start working with them.** This way, you're not wasting *any* of your time dealing with the “looky-loos”, who really *aren't* qualified, and never end up buying from you *anyway*! And...

Much much more!
